Andrew A. Farke sent you a  
Direct Message.

I haven't written anything about it  
specifically, but you are very  
welcome to cite the tweet and / or  
use a personal communication

## Andrew A. Farke sent you a Direct Message.

I use those published reviews when we are talking about the process of scientific publication. I have the students read the reviews and read the responses, and then talk about how the paper changed as a result.
